

JEWISH FAMILY SERVICE LA

Biennial Report

2020-2021 2021-2022

Services for
everyone
in Los Angeles

**We provide
life-improving
services that help
the people
of Los Angeles
live with dignity
and exercise
self-determination.**

This Biennial Report reflects our collective commitment to making a profound impact on our community. As we reflect on the past two fiscal years, we are inspired by the strides we have taken together and invigorated by the possibilities ahead.

At the heart of Jewish Family Service LA's mission is the drive to provide vital services that uplift individuals and families throughout Los Angeles. From feeding the hungry to housing those fleeing abuse, from wellness services for older adults to early childhood development, JFSLA has consistently demonstrated our ability to address the evolving needs of our diverse community. The numbers you see in the following pages demonstrate the positive impact that your support has enabled.

As we navigate an ever-changing landscape, we remain committed to innovation and sustainability. We recognize that our good work is built on collaboration—our dedicated staff, our passionate volunteers, our generous donors, and our steadfast partners all contribute to these accomplishments.

Looking ahead, our commitment to providing critical services remains steadfast, as does our dedication to fostering a community of compassion, resilience, and inclusivity. As we move forward, we look forward to standing with you as partners in progress and champions of a better future for all.

We extend our deepest gratitude to everyone in our JFSLA family for your unwavering support and enduring commitment. Together, we have accomplished remarkable feats, and together we will continue to build a kinder, more compassionate Los Angeles.
